

吉林华翰云数据分析股份有限公司

非常荣幸，华翰云能够请到 Raghav Nandyal 先生作为我们的评估老师。通过评估过程中的近距离交流沟通，他严谨的态度、清晰的思路给团队留下了深刻的印象。

Nandyal 先生与评估团队深入了解了我们企业的项目管理情况，有针对性的指出团队的不足，并对困扰我们的问题给出了完善调整方案。

通过评估，项目团队更加深入的理解了 CMMI 的思想精髓，并愿意通过团队共同努力，在未来的项目开发管理过程中更好的应用这些方法，提高工作效率，提升管理能力。

计划改进的重点包括：

第一、增加需求获取的渠道，使需求获取能够更快速更精准。

第二、继续推进 CMMI 更高级的应用，加强 CMMI 新人的培训力度。

第三、优化项目开发过程中，增加对各种新型工具的使用，提高工作效率。

CMMI 管理好比逆水行舟，不进则退，我们会坚持 CMMI 管理理念，提升项目管理能力，向更高的标准迈进！

最后，再次感谢 Nandyal 先生及评估团队的宝贵建议！

It is a great honor to invite Mr. Nandyal as our lead appraiser. During the appraisal and through our close communications, his rigorous attitude and clear logic has left a deep impression on our team.

Mr. Nandyal and the appraisal team have an in-depth understanding of project management of our enterprise, and have pointed out the current shortcomings of our team and provided comprehensive improvement solutions for problems besetting us.

This appraisal has enabled our project teams to deepen understanding of the essence of CMMI system and we are willing and enthusiastic to make better use of this method in future project and development management process through the joint efforts of our team to improve the work efficiency and enhance our management ability.

Our focus for follow-up improvements includes:

- First, to enrich requirements collection channels to ensure rapid and accurate requirements collection.
- Second, to continue promoting more advanced CMMI applications and strengthen CMMI training on new staff.
- Third, to increase the exploration of new tools to improve work efficiency while optimizing project development process.

CMMI management is like sailing against the current; he who does not advance falls backward. We will adhere to the CMMI management philosophy, enhance project management capabilities and strive for a higher standard!

At last, I would like to thank Mr. Nandyal and his team again for their valuable suggestions.
