Sir,

Warm regards from Sumanahalli Society. This is a society that works for the awareness, treatment and rehabilitation of leprosy patients. We have been able to reach out to and help over 4000 leprosy patients in the past 24 years from all over South India.

This is to thank you most sincerely for providing the furniture (Sofa-1, Cots-3, & Dying table-1) to the inmates of our center. They will be of great help for them.

Your generosity towards the down trodden of the society is well appreciated by all of us. We wish your company every success in your endeavors. We also wish and pray that your service oriented activities be rewarded by the Almighty God.

Expecting your wholehearted co-operation in the development of our society and looking forward to further collaborating with you, I remain,

Yours in human solidarity,

Fr. George Kannanthanam,  
Director,
