**Well-fare State**

**AN EXAMPLE OF A TRUE WELL-FARE  
STATE WHICH CARES FOR THE  
VISUALLY HANDICAPPED**

THE ABOVE YELLOW PATHWAY WHICH HAS A ROUGH CONTOUR PERMITS A BLIND PERSON TO FIND HIS PATH USING A BLIND STICK. THIS PICTURE IS FROM A RAILWAY STATION IN JAPAN.

SUCH PATHWAYS FOR THE BLIND CAN BE FOUND IN MOST BUILDINGS AND ALONG  
PAVEMENTS IN JAPAN.

WHAT AN EXAMPLE JAPAN SETS FOR HOW A TRUE, PROGRESSIVE WELL-FARE STATE MUST  
LOOK LIKE!
